

Selection of the Superintendent

In the event the district needs to conduct a search for a new superintendent, the Board will predetermine qualifications and select a superintendent who meets those qualifications. The superintendent will carry out the powers and duties described in board policy and as prescribed by law. The board may contract with the superintendent for a term not to exceed three years when deemed in the best interest of the Olympia School District. The Board, at its discretion, may renew the superintendent's contract for additional terms of no more than three years.

In the event that the district is without a superintendent, the Board will select an interim superintendent to carry out the duties and powers until a superintendent can be selected.
