Snow Routes

The following route changes will be in effect when it is announced that buses are running on "emergency bus routes." We may be running a few minutes late due to road conditions, but pick-ups will be made unless radio announcements are to the contrary. If it is announced that schools are starting one or two hours late, please remember bus pick-ups will also be one or two hours later than normal. KGY (1240 AM), KQ92 (920 AM) and KXXO (96.1 FM) will be broadcasting school information beginning at 6:00 a.m. and continuing throughout the day. Should it be necessary, please listen to the radio for school announcements.

Sometimes weather conditions will require our schools to close early. In the event this happens, normal busing sequence will be followed, i.e., high school and middle school students home first, followed by elementary students. Please instruct you student(s) what to do should there be an early school closure when you are not home during the day.

Please remind students in your family to be especially careful when walking or waiting for a bus during bad weather.
