Mission Statement:

The mission of Centennial Elementary School is to provide a quality educational experience which results in the highest achievement for each student. This shall be accomplished through the use of innovative and proven programs and resources, the extensive and welcome involvement of parents and community, a warm and caring climate, and an academic learning environment which is safe and supportive.

About Our School:

Centennial first opened its doors in January of 1989, having been named in recognition of Washington State's Bicentennial Celebration. It is located in the southeast corner of Olympia, in a growing community with many new neighborhoods. There are nearly 475 students in grades kindergarten through 5th, organized into traditional grade level configurations. There are usually two or three classrooms at each grade level located in three pods of six classrooms each. The pod areas surround the library which is located at the heart of the building. The large library has a story area, classroom instructional area, work areas, and a technology center. Over 16,000 books are currently in circulation. Materials are up-to-date and numerous. This is due in large part to the ongoing support of the Centennial Booster Club.

The closely-knit community takes great pride in Centennial Elementary, which is well known for its parent involvement, strong basic curriculum, high volunteer rates, and an experienced, talented, and caring staff. The staff and community have placed an emphasis on academics and skill development. Improving reading skills and instilling a love of reading, implementing a strong writing program, and focusing on an effective and current math curriculum have provided the focus of Centennial's improvement program. In addition, the staff and students have continued to increase their knowledge of technology and are utilizing our extensive computer network system, including full internet access, to enhance instruction.

Parents and community members are encouraged to come in and lend a hand. Parents may become involved with the school through volunteering, joining Booster Club, or serving as a member of the Site Council. With over 200 regular volunteers, Centennial School relies on a partnership with the parents and community to provide a quality education.

The Olympia School District welcomes and encourages volunteer involvement from parents and other members of the community. Every year, more than 3,600 citizens donate their time to Olympia schools, giving nearly 150,000 hours. Examples of volunteer work include tutoring students, helping out in school libraries or offices, assisting teachers with daily assignments or special projects, being a guest speaker, serving as an Art Partner or Lunch Buddy, and serving on School-Based Management Councils, planning, or advisory committees. To volunteer, drop by or call **Centennial Elementary School** at 596-8300.
